		Select from WMG's portfolio of modules offered at Chulalongkorn University.	

Students may apply to the Programme Management for exemptions from specific modules, and, if granted, must select an alternative appropriate elective module to comply with the module requirements for the course. Modules listed under other WMG modular master's degree regulations may be available to candidates for these awards as a replacement for those listed above, subject to approval by the Director of Studies.

List of 12 Modules available in Thailand:

FEBM, BSSM, LOM, OPP, PPMC, SST, SDD, ICT, SCM, FACS, TTM, and one elective

Note: (1) Yellow highlights are the modules that will be run in Thailand
(2) Green highlights are the core modules of CU (You need to enrol if you want to obtain Master's degree from Chulalongkorn University)
